MONTE LENA

 3	 2	 2
---	---	---

Stepping up and out in character and form, Monte Lena hones design that delivers on space, style and seclusion. Featuring mono pitch roof, linea weatherboard and brick cladding, its solid aesthetics extend beyond the large entranceway to open-plan kitchen, dining and living – complete with raking ceilings. With three large bedrooms, plus office nook and private courtyard opening from living – it’s living with all the pluses.
