OAKRIVER

 3	 2	 2
---	---	---

Pitched to new heights, Oakriver is solidly statement making. With a grand entrance set between two wings, and large office space positioned at the fore. A central hallway provides unity between spaces. The expansive open-plan kitchen, dining and living – complete with feature beam and raking ceilings – flows onto a large outdoor deck. A large master and two large bedrooms speak space and privacy aplenty.
